FOOTHILLS HUMANE SOCIETY ADOPTION CONTRACT

I hereby acknowledge and agree to the following:

1. I agree to have the animal examined by a licensed veterinarian within 7 days from the date of adoption at my own expense. If the animal is found to be ill or unhealthy during this visit, I understand that I may return it to FHS with the veterinarian's diagnostic statement confirming the health problem. I understand that I may then choose another animal. Once returned to FHS, I will have a six (6) month period of time to exchange this animal for another animal of equal adoption fee value.
2. FHS is committed to the animal's well-being for the remainder of its life. **If at any time I cannot provide for this animal, I agree to notify FHS and will not surrender the animal to another shelter or re-home the animal without express permission from FHS.**
3. I agree to provide current vaccinations against diseases in accordance with local and state laws. I agree to comply with any city and/or county animal laws and ordinances as required by law.
4. I agree to humanely care for and provide proper food, water and shelter for any animal, including routine periodic veterinary examinations and monthly heartworm prevention (dogs only).
5. **I understand that in the instance that I am "fostering" or "fostering to adopt", the animal remains the legal property of FHS and I may not surrender it to any other animal shelter or animal welfare organization. I further agree that I am required to bring the animal to the shelter for any required medications prescribed by FHS, i.e. heartworm treatment, as scheduled by FHS.**
6. I understand the FHS reserves the right to reclaim an animal adopted from FHS if there is any violation of the terms of this agreement or if FHS has factual information that the animal is not being properly cared for and/or is in abusive or dangerous circumstances or environment. The adopter will not have the right to contest this action, and will be banned from adopting any other animals from FHS.
7. I understand that FHS does not guarantee this animal's health condition, temperament, behavior or prior ownership.
8. **I understand that any sum I have given for the adoption of this animal is not refundable as it is a donation toward FHS' care for this and other animals by FHS.**

9. I hereby accept possession and responsibility of and for the animal identified to be adopted above, at my own risk, and hereby covenant and agree not to sue or assert any claim, demand or action against or with respect to FHS for myself and/or others, directly or indirectly, regarding or arising from this animal and hereby hold harmless, release and waive any right or claim against FHS, which I or others now or in the future may have for any damages or injuries to person or property caused by said animal.
