NOTES:

FOOTHILLS HUMANE SOCIETY ADOPTION CONTRACT

I hereby acknowledge and agree to the following:

1. If the animal is found to be ill or unhealthy within 21 days, I understand that I may return it to Foothills Humane Society (hereinafter "FHS") with the veterinarian's diagnostic statement confirming the health problem. I understand that I may then choose another animal. Once returned to FHS, I will have a six (6) month period of time to exchange this animal for another animal of equal adoption fee value.
2. FHS is committed to the animal's well-being for the remainder of its life. **If at any time I cannot provide for this animal, I agree to notify FHS and will not surrender the animal to another shelter or re-home the animal without written authorization from FHS.**
3. I agree to provide current vaccinations against diseases in accordance with local and state laws. I agree to comply with any city and/or county animal laws and ordinances as required by law.
4. I agree to humanely care for and provide proper food, water and shelter for any animal, including routine periodic veterinary examinations and monthly heartworm prevention (dogs only).
5. I agree to keep the adopted animal as a household companion at my residence.
6. I acknowledge that dogs cannot be trusted off-leash except in enclosed areas. Therefore, I will NOT permit the animal to run free or off-leash in public area. The adopted companion will not be 'tied-out' or 'staked out' or 'penned out' for extended periods of time.
7. For cats, I agree that I will NOT have the animal declawed.
8. I agree that I will NOT transport companion animal in an open truck bed or boat without appropriate restraints.
9. I agree that the animal will NOT be used for fighting, baiting, medical experimental or sacrificial purposes.
10. I agree that if the animal is stolen or missing, I will notify FHS within three (3) days.
11. **I understand that in the instance that I am "fostering" or "fostering to adopt," the animal remains the legal property of FHS and I may not surrender it to any other animal shelter or animal welfare organization. I further agree that I am required to bring the animal to the shelter for any required medications prescribed by FHS, i.e. heartworm treatment, as scheduled by FHS.**
12. I understand the FHS reserves the right to reclaim an animal adopted from FHS if there is any violation of the terms of this agreement or if FHS has factual information that the animal is not being properly cared for and/or is in abusive or dangerous circumstances or environment.

The adopter will not have the right to contest this action, and will be banned from adopting any other animals from FHS.

- 13. I release FHS from all liability for injury or damage sustained while adopted or fostered animal is in my possession.
- 14. Though care is given to physical condition and temperament evaluation of each animal that is accepted by FHS and every reasonable effort is made to provide a rescued animal which is compatible with adopter's home, no warranty is made to the physical condition or temperament of adopted animal. FHS will fully disclose animal's medical and behavioral history as far is known by FHS.
- 15. As of the date of receipt of the animal, I assume full responsibility for the adopted animal's actions and shall hold FHS and its individual members harmless for all claims for personal injury to others, and/or property damage associated with adopted or fostered animal while animal is in my possession.

16. I agree to pay FHS the adoption fee and understand that any sum I have given for the adoption of this animal is not refundable as it is a donation toward FHS' care for this and other animals by FHS.

17. I hereby accept possession and responsibility of and for the animal identified to be adopted above, at my own risk, and hereby covenant and agree not to sue or assert any claim, demand or action against or with respect to FHS for myself and/or others, directly or indirectly, regarding or arising from this animal and hereby hold harmless, release and waive any right or claim against FHS, which I or others now or in the future may have for any damages or injuries to person or property caused by said animal.
